THE first Ouachita annual was published in 1915. It was followed by the **Gasser** of 1921. The title was subsequently changed to **Memories** in 1928 and in 1929 to **O. P. H. S.** Its present name, **Roarer,** was adopted in 1930 and was used successively to 1937.

As a project of the Jeffersonian Club, the **Roarer,** after a lapse of nine years, resumed publication in 1946 and reached a record sale of 903 copies.

Both editorial and business staffs are selected entirely from the senior class. The sponsors are Miss Sallie Humble and Mrs. Sara W. Hollingsworth.

THE Lion is sixteen years old. Its publication is a project of the English Department. Freshmen, sophomores, juniors and seniors make up the staff. Mrs. E. B. Stover is adviser for both editorial and business management. Juniors and seniors, only, by competitive work in regular English classes win places on its editorial staff. Misses Lann and Latham supervise news and make-up for pages one and four. Miss Wall directs features; Miss Ann Smith, typing. Mrs. Hargrove supervises **Up and Down the Hall;** and Miss Hester, **Cubs' Corner.** Business houses have been generous in advertising, and circulation runs around 1300. The Lion has won an **International First Place Award** in the Quill and Scroll Critical Service every year since 1938 when publication was resumed after a year's suspension.

Ouachita began a successful season with a very capable but inexperienced squad. The Lions won four games, lost four, and fought two of them to a tie, one of which was scoreless. The first few games ended with little or no score, but the hard fighting, out-weighed team came back to better themselves against much tougher opposition.

Ouachita tangled with AA district champions, Jennings High School, and lost. But in this scheduled home game the "Jungle Kings" gave the best exhibition of their fine offensive playing for the year. The Lions fought the Bolton High School Bears to a tie for the third consecutive year.

Ouachita's homecoming game with the Byrd Yellow Jackets of Shreveport resulted in a 19-0 victory for the Lions.

The 1947 cage squad of Ouachita Parish High School completed a hard-fought schedule with numerous victories.

The team suffered a great loss by the mid-term graduation of "Sonny" Webb, all around athlete of the Lions; however, a well-balanced team with a fast moving offense, paced by "Buster" King and "Buddy" Clifford, was backed by defensive regulars such as Lawson Fleming and Robert Kirby.

Highlight of the cage season was the invasion of the Lions by the Natchez High Rebels, leaders of the "Big 8" conference of Mississippi. After changing hands several times, the score proved to be slightly against the charges of Coach Herbert Holliman.

The first Library Club was formed in the fall of 1927, following the moving of the library into its new quarters in the new high school building. Since the librarian had no trained assistants, she realized that an interested library club could act as publicity agents for homeroom and classroom teachers in that club members would know about the acquisition of new books and be the best patrons of the library.

From the beginning the student library assistant has rendered an invaluable service to the school and has proved to be efficient, reliable, and enthusiastic. Only students in the upper quarter are given membership in the club.

Four years after its founding, the Jeffersonian Club was reorganized in 1936. Since that time it has functioned continuously. Membership is limited to students of American history whose average is 92 or above for the first, second, or third six weeks' period.

The purpose of the club is to make the study of American history more interesting and to give students experience in club organization. Its motto is, "Equal rights for all and special privileges to none."

Recent club projects include sponsoring the 1946 **Roarer,** refinishing desks in senior homerooms, and the study of international relations. Social activities are not neglected.

The club originated in 1926 under the title "Home Economics Club." In 1935 the name was changed to "The Viola Lund Junior Homemakers Club," in honor of the late Miss Viola Lund, who was head of the Home Economics Department of Ouachita Parish High School when the club was organized.

Last year the National Club organization changed the name of Junior Homemakers to Future Homemakers of America.

Some of the activities and accomplishments of the club have been painting, basket making, stenciling, Batik Work, cake embossing, crocheting, embroidering, toy making and remodeling, building a club library, and collecting tin foil for the Shriners Hospital. During World War II, sweaters, helmets, and socks were knitted for the Red Cross and stamps and bonds were sold.

The club is affiliated with state and national club organizations. Each year the club makes a donation to the Foreign Loan Scholarship Fund. For the past several years, the club has attained the Standard of Excellence.
